

## Transcript Waiver for SUNY Ulster

By signing this waiver, I acknowledge that SUNY Ulster has not received all official transcripts from institutions I have previously attended. As a result, my transfer credit evaluation and advisement session are based solely on the information received and evaluated by SUNY Ulster as of today.

I understand that I am responsible for completing the degree requirements at SUNY Ulster, and the lack of official transcripts upon enrollment may result in my taking duplicate courses. I understand that courses taken at Ulster will not be substituted or dropped if official transcripts are received during or after my first semester enrolled at the College. I recognize that this situation could impact the level of financial aid for which I'm eligible.

Listed below are the Colleges/Universities in which I am choosing **not** to be evaluated for credit at SUNY Ulster:
