

# HUDSON RIVER MARITIME MUSEUM & RIVERPORT WOODEN BOAT SCHOOL

Kingston, NY • [www.hrmm.org](http://www.hrmm.org) • [www.riverportwoodenboatschool.org](http://www.riverportwoodenboatschool.org)

## BUILD YOUR OWN SEA CHEST

Looking for a beautiful addition to your home or boat? Build your own sea chest from scratch, learning to scale up designs, prep and glue wood, and basic joinery techniques. Choose dovetail or machine-cut rabbet joinery. Paint your sea chest to finish. Designs based on historic sea chests.

R/F 1/11, 12, 18, 19 6-9pm \$245 for HRMM members\*  
S 1/20 10am-4pm \$290 for non-members

## BUILD YOUR OWN GUITAR

Have you ever wondered how guitars are made? Want to enhance your playing skills with a custom-built instrument? Join experienced woodworker and luthier Bill Sterling in this start-to-finish guitar kit build, which includes everything but the tuners and strings. Beginners are welcome.

Fee includes \$500 guitar kit. NO class 2/18

U 1/14-3/11 10am-4pm \$725 for HRMM members\*  
\$770 non-members

## BUILD YOUR OWN SHAKER BOXES

Join us for this unique and fascinating class as you learn to cut, bend, and tack your own oval Shaker boxes and peg and glue in the bottom and top. Each student will make four different sized boxes to take home.

Fee includes \$65 worth of materials.

S 2/3 & 10 10am-3pm \$195 for HRMM members\*  
\$245 for non-members

## FOUNDATIONS OF WOODWORKING: UNDERSTANDING WOOD

In this first course of the Foundations of Woodworking series, students will examine the nature of wood as a material of construction and the unique qualities it has as a consequence of coming from a living organism

T 3/6 6-9pm \$55 for HRMM members\*  
\$65 for non-members

## FOUNDATIONS OF WOODWORKING: WOODWORKING TOOLS, THEIR USE & CARE

Students will learn about the tools in a basic woodworking kit, including layout tools, saws, chisels, and planes. Each tool will be examined, its use and proper handling demonstrated, tool maintenance including fine tuning and sharpening, and where to find good tools. Students are encouraged to bring their own tools for examination. Prerequisite: Understanding Wood.

W/R 3/7-8 6-10pm \$165 for HRMM members\*  
\$195 for non-members

## FOUNDATIONS OF WOODWORKING: BASIC HAND JOINERY

Students will learn the basics of hand joinery, using hand tools to create a variety of woodworking joints. This class will provide an excellent foundation for woodworking projects at home or more advanced woodworking classes. Prerequisite: Woodworking Tools: Their Use & Care.

T-R 3/20-22 6-10pm \$190 for HRMM members\*  
\$225 for non-members

## WOMEN'S SAILING CONFERENCE

S 3/31 Details TBA

## FOUNDATIONS OF WOODWORKING: MACHINE, TOOL, & SHOP SAFETY

In the final course of Foundations of Woodworking, students will learn how to safely handle tools and machinery in a shop setting. The class will include information on the different types of machinery and their uses, safe shop practices including use of eye and ear protection, emergency protocols, and advice for setting up a home shop. This class is perfect for anyone looking to get basic safety certification with woodshop machinery or looking for best practices to take home to their own workshops. Prerequisite: Basic Hand Joinery.

W/R 4/4-5 6-10pm \$80 for HRMM members\*  
\$95 for non-members

## US COAST GUARD CAPTAIN'S LICENSE COURSE

Obtain your OUPV [6 Pack] and Masters Upgrade with Tow Endorsement at Riverport Wooden Boat School. The course will be taught by Sea Tech Marine Training Instructors in accordance with National Maritime Center requirements. Course Fee includes all class material.

S/U 4/7-28 8am-5pm \$400 for HRMM members\*  
Visit [www.seatechmarinettraining.com/schedule.html](http://www.seatechmarinettraining.com/schedule.html) to register.

## BUILD YOUR OWN SHAKER TABLE

This intermediate woodworking class is designed to introduce students to the principles of furniture making. Each student will design and build their own table - side table or coffee table sized - to take home. All materials included. Prerequisite: Foundations of Woodworking series

T-R 4/11-13 6-9pm \$200 for HRMM members\*  
\$235 for non-members

## FROM SCRATCH: SCRIMSHAW PENDANT

Learn the American maritime art of scrimshaw - from start to finish. Explore a brief history of the craft and its place in nautical history, then learn to etch a one-of-a-kind design into a bone pendant to take home or give as a gift. Techniques will include preparing the surface for etching, developing a design to fit the space, etching lines with a scribe, and sealing the carved surface. Draw your own design or trace sample designs. This class is suitable for the complete beginner - no artistic experience is necessary. All materials included. REGISTRATION DEADLINE: Friday, April 6, 2018

S 4/21 10am-4pm \$190 for HRMM members\*  
\$225 for non-members

## TIMBER FRAMING, REVISITED

This course is designed for students who want to get experience in building timber frame structures. Building upon the timber frame class from the fall of 2016, this course will construct a square rule, post-and-beam timber frame structure on HRMM property for use by the museum and the public. New and returning students are welcome. This course is suitable for beginners and more advanced students wishing to expand their skills. Students who took the introductory square rule timber framing course are eligible for a discount on this class. Call 845-338-0071 ext. 16 or email [swassberg@hrmm.org](mailto:swassberg@hrmm.org) for details.

R-S 5/3-5 9am-5pm \$375 for HRMM members\*  
\$425 for non-members

## BUILD YOUR OWN RADIO-CONTROLLED POND YACHT

In this class, students will build a Vintage 36" RC sailboat, completing it on Friday and sailing it on Saturday morning. This boat is a Chico II designed by A.J. Fisher, a well-known sailor and a supplier of pond yachts, supplies, parts, and plans in the Detroit area. All materials will be provided by the instructor and RWBS, including hull, ballast, fittings, sails, spars, and electronics. The instructor will prepare certain materials ahead of time to ensure the student has everything needed and the time necessary during the week to complete his/her boat. On Saturday the students will have the opportunity to get their boats wet and to sail in a regatta. Fee includes: \$500 worth of materials. REGISTRATION DEADLINE: Wednesday, May 2, 2018

M-S 7/2-7 9am-5pm \$1,100 for HRMM members\*  
\$1,250 for non-members

## UPCOMING CLASSES FOR SPRING & SUMMER:

**SAILING 101 & 102** - Basic Keelboat training courses. Learn the theory of sailing with Sailing 101 on land, then take to the water for practical application in Sailing 102.

**SIP & PAINT** - Join art instructor Cynthia Frary in this fun and easy course. Sip your way through detailed instructions on creating your own Hudson River-themed painting.

**FAMILY DORY BUILD** - This week-long class designed for families will result in a simple dory you can row or sail.
