SGO and Campus Community Fondly Remember Ron Marquette

The SGO and the entire campus community mourn the loss of Ron Marquette, SGO advisor and coordinator of Community Relations and Special Events. He was remembered fondly for his laugh and smile as a mentor, leader and friend.

Ron began as student government advisor in the 2012-2013 academic year and quickly elevated student life on campus to new levels.

"It (SGO advisor) was among his newest campus roles, but it was also the role in which he was most able to interact with the student body and for which most of the student body recognizes him. It is a role from which he derived much pride in recent months," said Ethan Burwell, SGO secretary.

"We came to rely on and truly appreciate Ron's vision, his leadership, can-do attitude, approachable style and wonderful sense of humor," said SUNY Ulster President Don Katt said. "Ron's many contributions to the college and to the community at large will endure for years to come in the areas of arts and cultural programming, economic development, and fostering student life and student leadership on the campus."

Ron died of a heart attack on January 4 at the age of 68. He will be greatly missed.

Looking for the Complete "College Experience" - Get Involved!

While you're at SUNY Ulster, take advantage of the many opportunities to get involved in student organizations. Why get involved? Your involvement will give you the opportunity to work with your peers on special projects, activities and events that are meaningful to you and the student body!

Your participation will also help you build valuable leadership skills that will not only look good on a resume or college transfer application, but will provide you with an additional learning experience that goes beyond the four walls of the classroom. Check out the active clubs currently on campus...

SUNY Ulster Ambassadors to the North Pole

Our Student Admissions Ambassadors acted as ambassadors to the North Pole at the SGO Holiday Party in December by encouraging faculty, staff and students to write a "letter to Santa" in support of Macy's annual Believe Campaign.

Our Ambassadors chose to support this letter writing campaign because Macy's donates a dollar to the Make-A-Wish Foundation for every letter to Santa they receive. Organizations, schools and individuals nationwide participate in this annual cause. We are happy to report that our Ambassadors collected 102 letters to Santa and delivered them to the Macy's in Kingston following final exams.
