

Students Invited to Council Meeting on February 13

To kick-off the first meeting of the Spring semester, our Student Government Organization (SGO) will host an open Student Council Meeting on Wednesday, Feb. 13 at 1 p.m. in the Faculty/Staff Dining room located just off the cafeteria in our Student Life Center in John Vanderlyn Hall. Student Council meetings generally consist of SGO Officers and Club representatives, but the SGO is extending a special invitation to all Club Members, Club Advisors and to any students interested in becoming a part of campus life, organizing student activities, or learning about student leadership opportunities at SUNY Ulster.

Those attending will have the opportunity to gain knowledge about the SGO and its mission, how to start a club, and how to become more involved. Club reps will receive training on how and when to submit an event proposal using our new event proposal form, and learn about upcoming events and the expectations of their organization's involvement in these events.

Everyone who attends will also receive a training packet loaded with valuable information and have the opportunity to have their questions answered through a Q & A session with our student leaders. So take advantage of this opportunity to learn more and get involved in your campus community!
