## Student Admissions Ambassadors Program Seeking New Members

If you want to share your love of SUNY Ulster with other students thinking of enrolling here, the Student Admissions Ambassadors (SAA) program is looking for volunteers. The leadership program is designed to help prospective SUNY Ulster students gain special insight into the college experience from a current student's perspective.

Whether a student is starting college for the first time, has prior college experience, or just wants to take a few classes to enrich themselves, our Ambassadors are available to help them make informed decisions about their college choices.

What's needed for the position? Excellent communication skills in one-on-one and group settings; good listening skills; excellent time management and organization skills; and the ability to work with a diverse pool of prospective students with varied needs. Ambassadors must also have positive attitudes, should be outgoing, enthusiastic, dependable and in good academic standing.

All potential candidates will be selected through a written application process and must submit a brief narrative highlighting why SUNY Ulster was the right college choice for them, what they enjoy best about our campus and what it has to offer its students.

Applications will be reviewed and candidates will be contacted if selected. For more information about the Student Admissions Ambassador program, contact SAA advisors Lucia M. Pecore or Dyana Warnock, at (845) 688-1567 or on Facebook at Facebook.com/SUNYUlsterAdmissionsRecruiter.
