### SUNY Ulster's Educational Opportunity Program (EOP)

SUNY Ulster's Educational Opportunity Program provides academic support and financial aid to students who show promise for mastering college-level work. Offered primarily to full-time students who are New York State residents, EOP accepts a limited number of students who qualify academically and financially for the program. The primary goals of EOP are to facilitate the recruitment, enrollment, retention, and graduation of its students. This is accomplished by providing EOP students with an array of educationally related support services.
