

## Transcript Waiver for SUNY Ulster

By signing this waiver, I acknowledge that SUNY Ulster has not received all official transcripts from institutions I have previously attended. As a result, my transfer credit evaluation and advisement session are based solely on the information received and evaluated by SUNY Ulster as of today.

I understand that I am responsible for completing the degree requirements at SUNY Ulster, and the lack of official transcripts upon enrollment may result in my taking duplicate courses. I understand that courses taken at Ulster will not be substituted or dropped if official transcripts are received during or after my first semester enrolled at the College. I recognize that this situation could impact the level of financial aid for which I'm eligible.

Listed below are the Colleges/Universities in which I am choosing not to be evaluated for credit at SUNY Ulster:

Please note: Any student who previously attempted 12 credits in a semester while attending another college who wishes to participate in college athletics at SUNY Ulster will not be eligible for this waiver and must furnish all college transcripts. Students planning on transferring from Ulster to another institution are hereby notified that the transfer institution will require you to provide transcripts from all previous colleges attended.
