NON-PROFIT GRANT WRITING

SUNY Ulster is offering two courses specifically designed for non-profit grant writers. Each course focuses on the craft of grant writing and provides opportunity for participants to receive personal guidance on a grant they are currently writing.

GRANT WRITING FOR EFFECTIVE NON-PROFIT FUNDRAISING
This course introduces you to best practices for foundation grant writing. Each of you will write a grant application, including need statement, goals, step-by-step action plan, assessment, and budget documents. You will learn to write clearly and with impact. Appropriate for non-profit professionals and students.
