

# HEALTH OCCUPATIONS & HUMAN SERVICES

## UB NURSING ASSISTANT (NA)

Students are trained in many aspects of providing service with emphasis on developing good patient care. After successfully completing this 125-hour course and passing the NYS Department of Health Certification Exam, students are qualified for work in long-term care facilities, hospitals, or home care agencies. A physical exam is required prior to starting the program. No previous experience is necessary. Clinical training will occur at a local health care facility in Kingston. Approved for the Training of Veterans. Call 845-331-0902 for an admission appointment and to register.

## 5 WAYS TO LOCK-IN ONGOING LIFETIME INCOME

Three things that people worry about as they grow older are 1) Inflation: Will you continue to be able to afford and support your lifestyle? 2) Market volatility: If you needed to withdraw income money before you run out of life? 3) Longevity: With improvements in lifestyle and advances in medical care, you have a greater chance of living many years after retirement. Learn how to plan for 20 to 30 years of retirement income and understand the importance of creating a plan for income that can't be outlived. Self register for this free class at [ulsterboces.org/register](http://ulsterboces.org/register) or by calling 845-331-5050 for personal assistance.
