START A SNOW CONE BUSINESS CAMP
Do you want to own your own business one day? In this Entrepreneurship boot camp, we will plan and run a Snow Cone business. We will come up with our business name, find out what flavors are people’s favorites, what we should charge for our Snow Cones and how to market our business. Then we will kick it off and run our business on the SUNY Ulster campus! Afterwards, we will talk about our profit, what worked and what we could have done differently to make our business even better. **Educational Leader: Dr. Mindy Kole**, is an Associate Dean, Assistant Professor of Business and Entrepreneur at SUNY Ulster.

Ages 8-12  CFK 1955-01  M-F  7/8-12  9am-4pm  SRC  $350

FASHION DESIGN CAMP
Are you interested in fashion or plan to be a fashion designer, this is the camp for you! Spend time in a fully equipped sewing lab to learn sewing and basic construction while creating an original project. You will also spend time in the arts studio having a Project Runway experience with design challenges, a team and a deadline. Learn how to construct the fashion figure plus how to draw and design skirts, blouses, dresses and pants. No previous knowledge of sewing or drawing is required. (1:5 instructor-to-camper ratio). **Educational leaders: Kristin Flynn**, SUNY Ulster Program Coordinator and Assistant Professor of Fashion Design, will be assisted by SUNY Ulster Fashion Design Program graduates.

Materials fee: $15, payable in camp.

Ages 8-11  CFK 1577-01  M-F  7/8-12  9am-4pm  SRC  $350
Ages 12-15  CFK 1578-01  M-F  7/8-12  9am-4pm  SRC  $350

FIGURE DRAWING / PAINTING ACADEMY
Working daily with a model, beginners and those wanting to improve their figure drawing and painting techniques and fine/commercial art will learn life drawing and painting through an investigation of foundation/skill building principles, form construction and anatomy to build a portfolio. The objective is to capture an accurate, 3D representation of the human form through observation. Daily lectures and demonstrations will introduce concepts and subject matter.

Provided: SUNY Ulster sketchbook and all materials. **Educational Leader: Christopher Seubert**, SUNY Ulster instructor and local artist will be assisted by SUNY Ulster Fine Art students.

Ages 11-17  CFK 1025-01  M-F  7/15-19  9am-4pm  SRC  $350

PRINTMAKING ACADEMY
Interested in developing or strengthen your foundation drawing and printmaking skills? Explore monoprinting, block printing and etching as well as create a portfolio of work highlighting skills developed in this academy. Provided: SUNY Ulster sketchbook and all non-toxic materials. **Educational Leader: Christopher Seubert**, SUNY Ulster instructor and local artist will be assisted by SUNY Ulster Fine Art students. Materials fee: $15, payable in camp.

Ages 11-17  CFK 1031-01  M-F  7/22-26  9am-4pm  SRC  $350

ANIMATION ACADEMY: THE WORLD IN MOTION
Seeking an introduction into the skills and programs used to create animation? With advances in technology, animation is now more accessible than ever. Learn or expand skills you already have on foundational techniques in 2D and Stop-Motion Animation. Prior animation experience is not required! You should be comfortable using a computer. Learn the history of animation through screenings, demonstrations techniques and critiques. Then focus on skill building through hands-on activities. Provided: All materials but you are encouraged to bring items from home. **Educational Leader: Adrielle Farr** is Creative Director at KXB Studio, and Director of Art & Cultural Affairs for the City of Kingston.

Ages 11-17  CFK 1032-01  M-F  7/29-8/2  9am-4pm  SRC  $350
TAY FISHER’S FUNDAMENTAL BASKETBALL CAMP
Enjoy a fun and educational experience for beginner to high school varsity player. Morning instruction includes the teaching of strong tennis strokes and precision footwork, both of which comprise the backbone of the game. Drills are incorporated to promote the development of these skills. In the afternoon, athletes are taught strategy, technique, and sportsmanship by means of challenging games and matches. There is individual attention (1:5 coach-to-athlete ratio) within the context of group learning. Educational leader: Peter Fein, a tennis instructor in Ulster County for over 25 years and certified professional with the U.S. Professional Registry.
Ages 8-16  CFK 1474-01  M-F  6/24-28  9am-3pm  SRC  $350

SENATORS SOCCER CAMP
All skill and experience levels, both boys and girls, will focus on the development of individual ball skills, how and when to use these new skills in game situations and the importance of team play while having fun. Educational leaders: Jamal Lis-Simmons, is Head Men’s Soccer Coach at and Dan Hoffay, is Assistant Men’s Soccer Coach at SUNY Ulster.
Ages 7-16  CFK 1030-01  M-F  8/5-9  9am-3:30pm  SRC  $220

REVIT ARCHITECTURE CAMP
If you are fascinated with the SIM’s software then you will be interested in using the Revit software to create buildings. Learn the basics to produce 3D virtual buildings and get your start in the field of Architecture. Educational Leader: Salvatore Ligotino, a SUNY Ulster Assistant Professor of the STEM department.
Ages 13-18  CFK 1946-01  M-F  7/8-12  8am-noon  SRC  $200

3D PRINTING CAMP
Experience 3D printing using Makerbot printers as well as learn some of the operation and maintenance of the Makerbot printers. Learn the basics of 3D printing using the solid modeling software Inventor Professional 2018. Educational Leader: Salvatore Ligotino, a SUNY Ulster Assistant Professor of the STEM department. Materials fee: $20, payable in camp.
Ages 11-18  CFK 1947-01  M-F  7/8-12  1-5pm  SRC  $200
