VISUAL & PERFORMING ARTS

PAINT & SIP
Enjoy painting a simple winter scene of cardinals in a fir tree while sipping delicious nonalcoholic beverages. Under the direction of artist and teacher Leslie Bender, you will learn to draw the scene onto canvas, mix colors and paint. All materials will be supplied.
NCC 2168 W 1/15 5-7pm KSU $40

SU WATERCOLOR, PEN & INK CLASS
This class will generate awareness and excitement through the creative art techniques of ink and watercolor, combining ink, crosshatching and washes with watercolor layering and masking. You will learn design, composition and color with still life projects or personal photographs. Each class includes a technique demonstration and individualized guidance. See your email receipt for list of materials.
NCC 2148 T 2/11-3/17 6:30-8pm KSU $149

FLOWERS WITH WATERCOLOR, PEN & INK
Learn to draw and paint flowers with all their freshness and vitality by deploying the spontaneous effects of watercolor and ink. Each class, we will use living flower bouquets as our “model.” Techniques include blending colors, splattering, cross hatching and masking. These can create beautiful effects as serendipitous as Nature herself! See your email receipt for list of materials.
NCC 2164 T 5/5-26 6-8pm SRC $129

NEW! COMIC/GRAPHIC NOVELS
People are becoming increasingly aware about comics and graphic novels due to the Pulitzer Prize winning graphic novel, Maus, by Art Spiegelman. You will be introduced to Maus as well as other graphic novels that exist in pop culture. You will learn ways to tell your life story using the common and accessible language of comics (the combination of images and text). Through the medium of comics, you will discover your voice to express your thoughts about society, culture and the world at large. Upon finishing this course, you will have completed three short comics. See your email receipt for list of materials. Instructor: T. Cha
NCC 2169 S 2/29-4/4 noon-2pm KSU $125

INTRO TO TEXTILE ART
Have you ever wanted to create designs on fabric to enhance your clothing and surroundings? If so, join textile artist, Leslie Arouh for an exploration of various ways of applying pigment, dyes, and resist to the fabric surface with an emphasis on spontaneity. Experimentation will also take place on paper through design exercises, exploration of color, repetition, and layout. You will create several unique projects in this class! See your email receipt for list of materials. Materials fee: $10, payable in class.
NCC 2170 W 2/26-4/1 6-8pm SRC $165

MURAL PAINTING
Learn the practice of painting large scale murals for interior and exterior spaces. This course will cover the mediums and tools for transferring images onto large surfaces. Gain knowledge in practical methods for every step of the process from conception to completion. Whether you want to use these skills for your own projects or apply them to the growing industry, this course can provide the necessary guidance. See your email receipt for list of materials. Materials fee: $20, payable in class. Instructor: M. Fusco
NCC 2167 M 3/9-4/6 6-8pm SRC $129

INSTRUCTOR: LM. Fusco is an emerging artist. He earned an MFA at the New York Academy of Art and a Bachelors of Industrial Design at Pratt Institute.
