SUNY Ulster can assist whether you are planning a career change, looking for professional development, or preparing for an undergraduate or advanced degree. Contact us at rerb@sunyulster.edu or 845-802-7171 to meet with a Program Coordinator who can help you map an educational plan based on your goals.

- Flexible schedules for adult learners
- Build or strengthen your credentials
- Expand your professional network
- Scholarships and tuition assistance programs available
- Link to our local job board
- Connect with a business counselor to start your own business

For a complete list of courses, visit us at SUNYUlster.edu/ce.

**DESIGNED FOR THE ADULT STUDENT**

**PFEIFFER TECHNOLOGY & INNOVATION LAB**

**NEW Programs for 2023!**

**ADVANCED MANUFACTURING TECHNICIAN (AOS)**

Prepares students to enter the workforce in one of the many manufacturing companies located in the Hudson Valley.

**CUT and SEW PROGRAM**

Popular in the early 20th century in Kingston, SUNY Ulster introduces a modern Cut and Sew Microcredential for entrepreneurs as well as for the cut and sew manufacturing companies in the Hudson Valley.

**CNC PRE-APPRENTICE PROGRAM**

Inspired by the Uniquely Abled Project in CA, SUNY Ulster has been awarded training funds for the high-demand field of CNC. SUNY Ulster’s goal is to change the way the community thinks about disabilities, specifically in regards to autism, and to promote employment. The program will prepare students for entry-level careers that are in high-demand and offer good starting salaries. It has been observed that jobs requiring individuals with a high degree of focused attention to detailed repetitive processes, able to follow clear objective instructions, and familiarity with computers are well suited for a person with high functioning autism. Scholarships are available for those enrolling in this program.

**SMALL BUSINESS SUPPORT**

Need a business counselor for starting or growing a business? SUNY Ulster is home to the Mid-Hudson Small Business Development Center. Call to make an appointment at 845-802-9150 or contact us at sbdc@sunyulster.edu.
