

### Three Ways to Request Your 2011 IRS Tax Return Transcript

Prior to requesting a tax transcript you should attempt to obtain the appropriate tax information from the IRS through the FAFSA correction process. This can be done by using your FAFSA PIN number and selecting the “IRS Data Retrieval Option” which will add your tax data to your FAFSA automatically. If your parent’s tax information is needed, your parent’s FAFSA PIN number must be used. Otherwise, please follow one of the procedures below:

#### Online Request:

1. Go to the IRS website at <https://sa2.www4.irs.gov/irfof-tra/start.do>
2. Fill in tax filer’s SSN, date of birth, street address and zip code. Use address that you filed with the IRS.
3. Click “Continue.”
4. In the **Type of Transcript** field, select “Return Transcript” and for the **Tax Year** field select “2011.”

If your request was validated you can expect to receive the transcript at the provided address within 5 to 10 days. You cannot choose to have the transcript request sent directly to a third party.

#### Telephone Request:

1. Call the IRS at 1-800-908-9946
2. You will need to enter your social security number and numbers in your street address that was used on your filed tax return.
3. Select “Option 2” to request IRS Tax Return Transcript and enter “2011.”

If your request was validated you can expect to receive the transcript at the provided address within 5 to 10 days. You cannot choose to have the transcript request sent directly to a third party.
