

# Felony Conviction Disclosure

---

---

A felony in New York State is defined as a crime for which more than one year in prison may be imposed. By signing this form, you indicate that you are eligible for employment by a police department, should it be offered at a later time, that you have never been convicted of a felony and that you are not currently under investigation or indictment for any felony crime.

I hereby attest that this is true to the best of my knowledge and belief.
